

CCD Kids Camp Information

Activities – Campers maintain an action-packed schedule throughout the week. Campers will attend two chapel services each day featuring music and games, as well as energetic speakers who will provide age-appropriate lessons and opportunities to grow. Other activities include a swimming pool, rock climbing wall, crafts, missions, games and more! There are late-night activities for pre-teen campers, as well as other specific activities for pre-teens.

Ages – Kids Camp is for kids who have completed 1st, 2nd, 3rd, 4th, 5th and 6th grades.

Bedding – Please send bedding for a twin-sized bed, as well as a pillow. If your camper is prone to bed wetting, please send a waterproof mattress pad.

Check-in – Check-in is from 2:00 to 2:30 on Thursday, July 11th. Upon arrival, they should turn in any medication (including over the counter drugs) to the camp nurse. Campers will be given their room assignments and directed to the appropriate dorm.

Check-out – Check out is on Sunday, July 14th at 2:00. We request that you do not pick up your children to take them to games, competitions, or other events throughout the week.

Concession Stand Money – The campers will have several opportunities to visit the concession stand throughout the week. Each camper will be able to select items at the concession stand for free, so parents do not need to send additional money.

Housing – Campers will be split into groups – 4th - 6th grade (pre-teen) boys, 4th - 6th grade (pre-teen) girls, 1st – 3rd grade boys and 1st – 3rd grade girls. Each camper will have one or two roommates and they will stay in an Olivet dorm room with a counselor assigned to oversee 3-4 rooms. Campers may request to be housed with a specific camper or counselor, but requests cannot always be granted.

Location – Camp is held at Olivet Nazarene University in Bourbonnais, IL.

Mail – Parents are welcome to send mail to their campers via the Camp Coordinator from your local church, or drop it off at check in. We ask that mail consists of letters only and not packages.

Medication – All camper medication, including vitamins and over-the-counter drugs, must be turned into the camp nurse at the beginning of camp with the medication form available on the district website. All medications should be placed in a gallon-sized Ziploc bag and labeled with the camper's name. All medication must come in the original packaging (no pill boxes). The camp nurse will have ibuprofen and acetaminophen to distribute as needed with signed permission from the registration form.

Nurse – There will be a camp nurse on staff whose sole purpose is to tend to the health and well-being of the campers and staff. She is responsible for distributing medication as needed, as well as administering basic First Aid. In the event of any severe illness or injury, campers will be taken to a hospital to be treated. Every effort is made to contact parents to acquire their permission and keep them updated on the camper's situation.

Payment – While registration will be handled online, all payment should be submitted to your local church. Churches who are providing scholarships to their campers will collect money from each camper,

then make one check payable to Chicago Central District with “Kids Camp” in the memo line and mail it to the district office (info below).

Price – The registration fee is \$200 before June 24. After June 24, the registration fee will be \$250.

Registrar – Payment should be sent to the district office:

Chicago Central District
